

CRUSH CANCER

DILWORTHTOWN INN WINE FESTIVAL/CAR SHOW

Sunday, October 12, 2014

As many of you know by now, PA VCA member Victor Kasacavage (Viper067) lost his battle with lung cancer in February 2013. His primary hospital holds an annual fundraising car show/wine tasting event at The Dilworthtown Inn in West Chester, PA on Sunday October 12th from noon to 4:00 PM. We would love to have a huge show in Victor's memory. This organization did so much for our family during Victor's battle, and I would like to do this for them.

There will be a "performance / exotic" car show at Dilworthtown Inn, West Chester, PA on Sunday October 12th from noon to 4:00 PM. This will take place during their annual wine festival benefitting the Chester County Cancer Center. It is always a well-attended, high-end show that attracts a lot of people. If it rains the car show portion will be called off. They have arranged for a large, flat paved parking lot for display of cars. They also have arranged for ample space to park trailers

All money raised goes into Chester County Hospital's SHINE Foundation, providing support directly to patients and families affected by cancer.

There are NO ENTRANCE FEES to the car show, but you will need to purchase tickets to the wine festival if interested.
